ITW Polymer Sealants North America, Inc. (“Seller”) warrants that it will convey the E-las-tek® products (“Product(s)”) free and clear of all liens, security interests and encumbrances. Seller further warrants that for a period of time per the table below from the date of purchase by the original purchaser (the “Warranty Period”), under normal use and given proper maintenance and application as set forth below and on the applicable Technical Data Sheets (TDS) as set forth on www.itwsealants.com, the Products: (a) will conform to specifications; and (b) will be free from substantial defects in material and workmanship.

Seller warrants to the original property owner that E-las-tek® roof coatings will provide up to 12 years of solar protection (per the table below) to the roof system from the first date of Product purchase, based on the following schedule of coats applied. The warranty shall be void unless coating is applied per current data sheet.

Product	Application Rate/ square of Topcoat	Warranty	Application Rate/ square of Topcoat	Warranty
127 Solar One Plus	2 gallons	10 years	3 gallons	12 years
129 Poly Tek Pro	2 gallons	8 years	3 gallons	10 years
109 Solar Magic	2 gallons	6 years	3 gallons	8 years

Visit website www.itwsealants.com or call us at 1-866-ELASTEK for a complete printed copy of this warranty or more information. Property owner must retain detailed proof of coatings purchased and square feet of roof coated to substantiate warranty qualification. Warranty is void unless all coats are applied by strictly following Product’s Technical Data Sheet application instructions. Warranty does not apply to areas on roofs with standing water or drainage problems; at the time of coating, roof membrane must have remaining service life and be in good repair. Warranty applies to original property owner only. In the event the roof substrate becomes visible due to de-lamination or erosion of the coating during the warranty period, the property owner must immediately notify Seller by sending a written explanation and proof of purchase receipts to 3700 S. Palo Verde Road, Tucson, AZ 85713 or faxing to 520- 624-9696. On substantiation of the claim, Seller, as its sole liability and the property owner’s exclusive remedy, will provide sufficient replacement product to repair all affected areas. This shall be owner’s sole remedy. Seller is not obligated to pay the cost of application for any replacement products. Repairs do not extend the warranty period. Exclusions to warranty: Routine coating maintenance repairs; damage arising out of failure to apply coating in accordance with Product instructions; storage of Product inconsistent with Product instructions; modification of product by parties other than Seller; natural disasters and acts of nature; roof traffic, roof mounted equipment, leaking water, shifting or swelling of the roofing system; moisture intrusion; destructive chemicals; plants/trees; and roof debris; applications to moisture permeated foam; failure of previously applied coating; application over uncured products; acts and causes beyond Seller’s control; negligence; misuse of the product;
